### Space & Naval Warfare Systems Command Awards Contract

SAN DIEGO — \*System Integration and Management, of Arlington, Va., is being awarded a \$50,000 indefinite delivery, indefinite quantity type contract with fixed-price-award fee and cost-plus-award fee line items for Business, Operations and Administrative Support Services at the Space and Naval Warfare Systems Command Information Technology Center, New Orleans, La. This contract includes a base year and four one-year options, which, if exercised, would bring the cumulative value of this contract to \$65,294,733. Work will be performed in New Orleans, La., and is expected to be completed by August 2005. If all options are exercised work will continue through August 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured as an 8(a) set-aside under the auspices of the Small Business Administration via the SPAWAR E-commerce and FedBizOps websites. Fifteen offers were received. The Space and Naval Warfare Systems Command, San Diego, Calif., is the contracting activity (N00039-04-D-2021).

*\*System Integration and Management, of Arlington, Va. is a small business.*
